

Hydrogeological maps in Austria A rough overview on available maps and ongoing projects

G. Schubert, Geological Survey of Austria, email: gerhard.schubert@geologie.ac.at

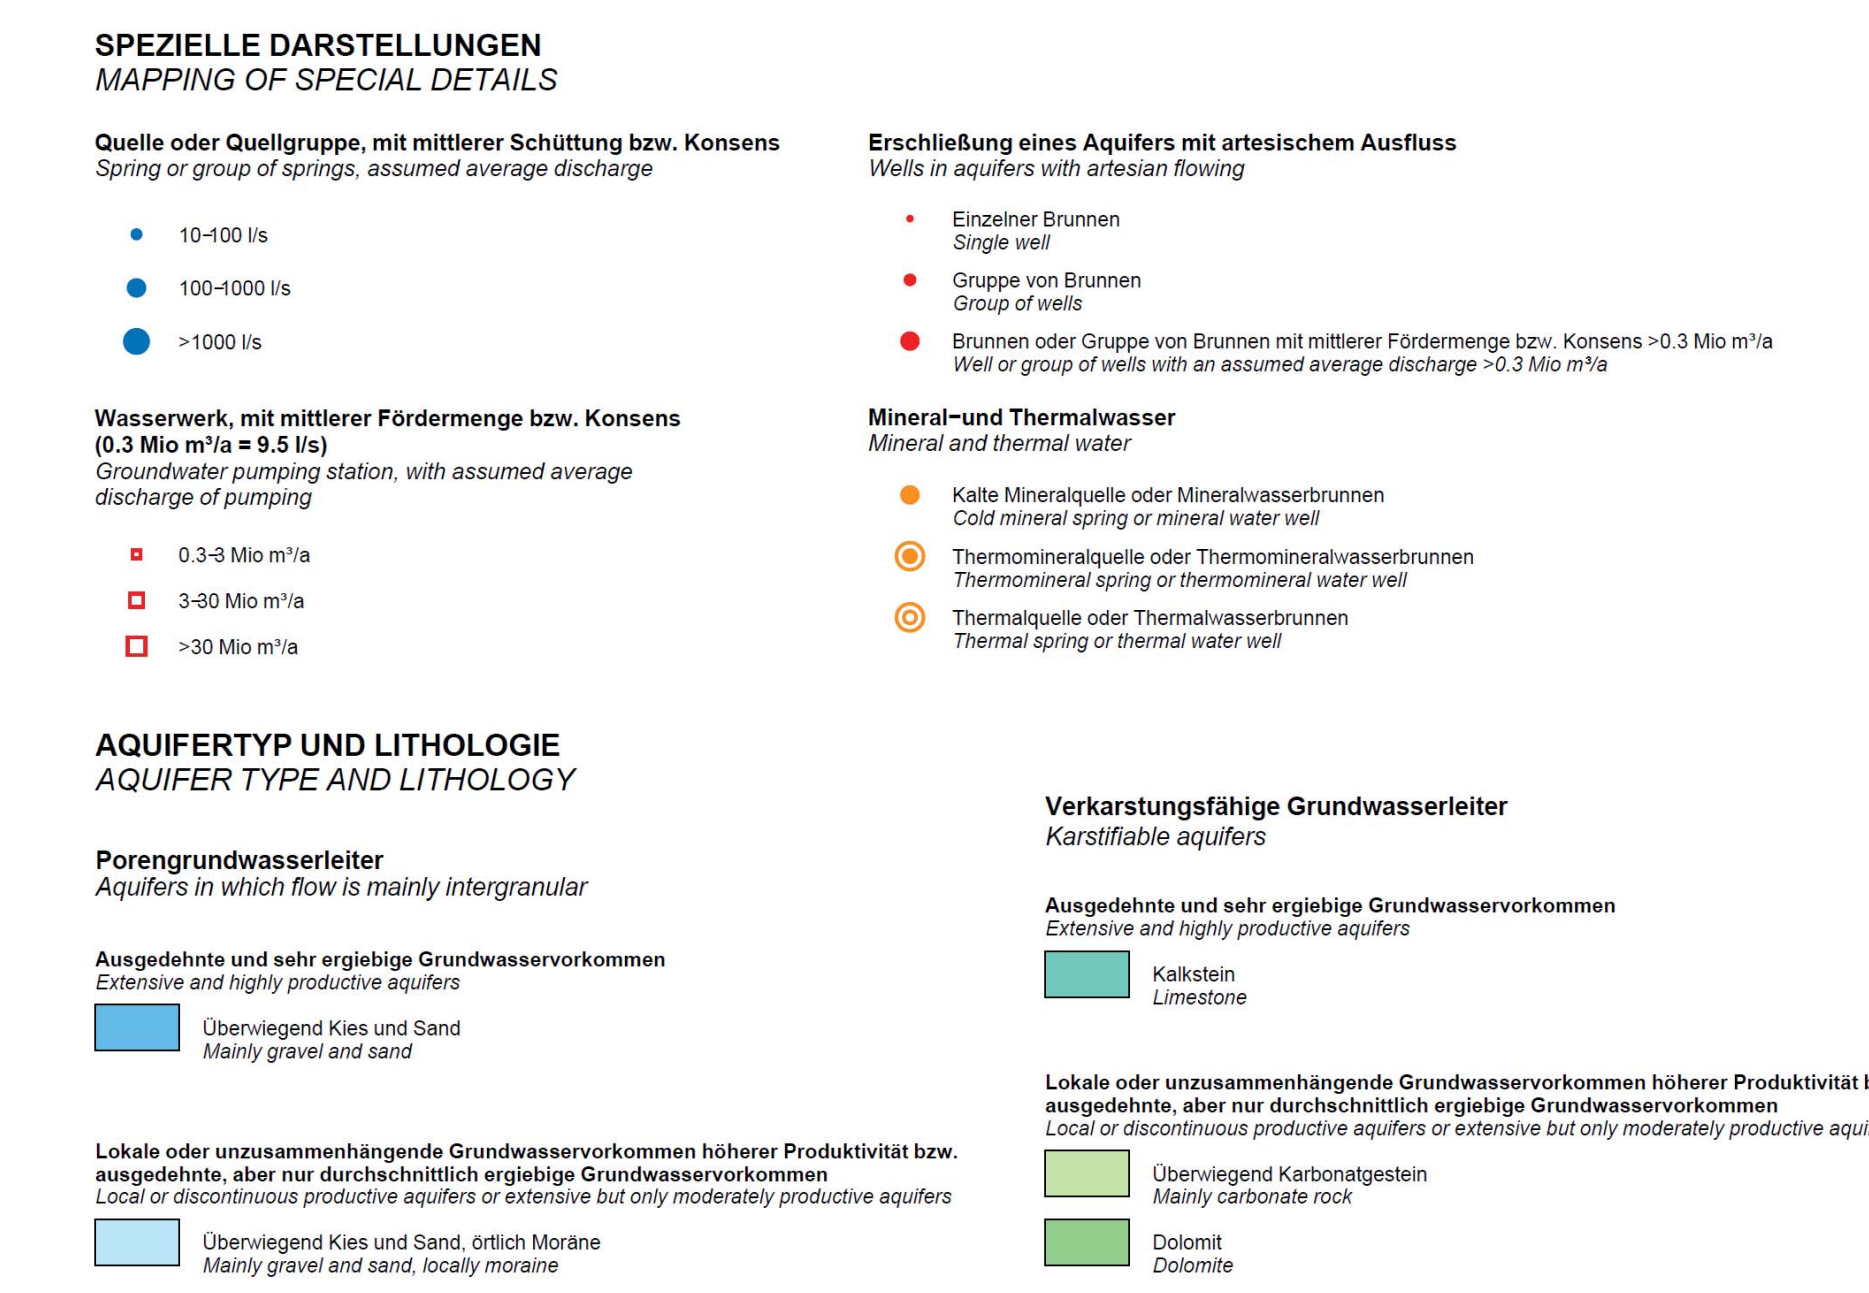

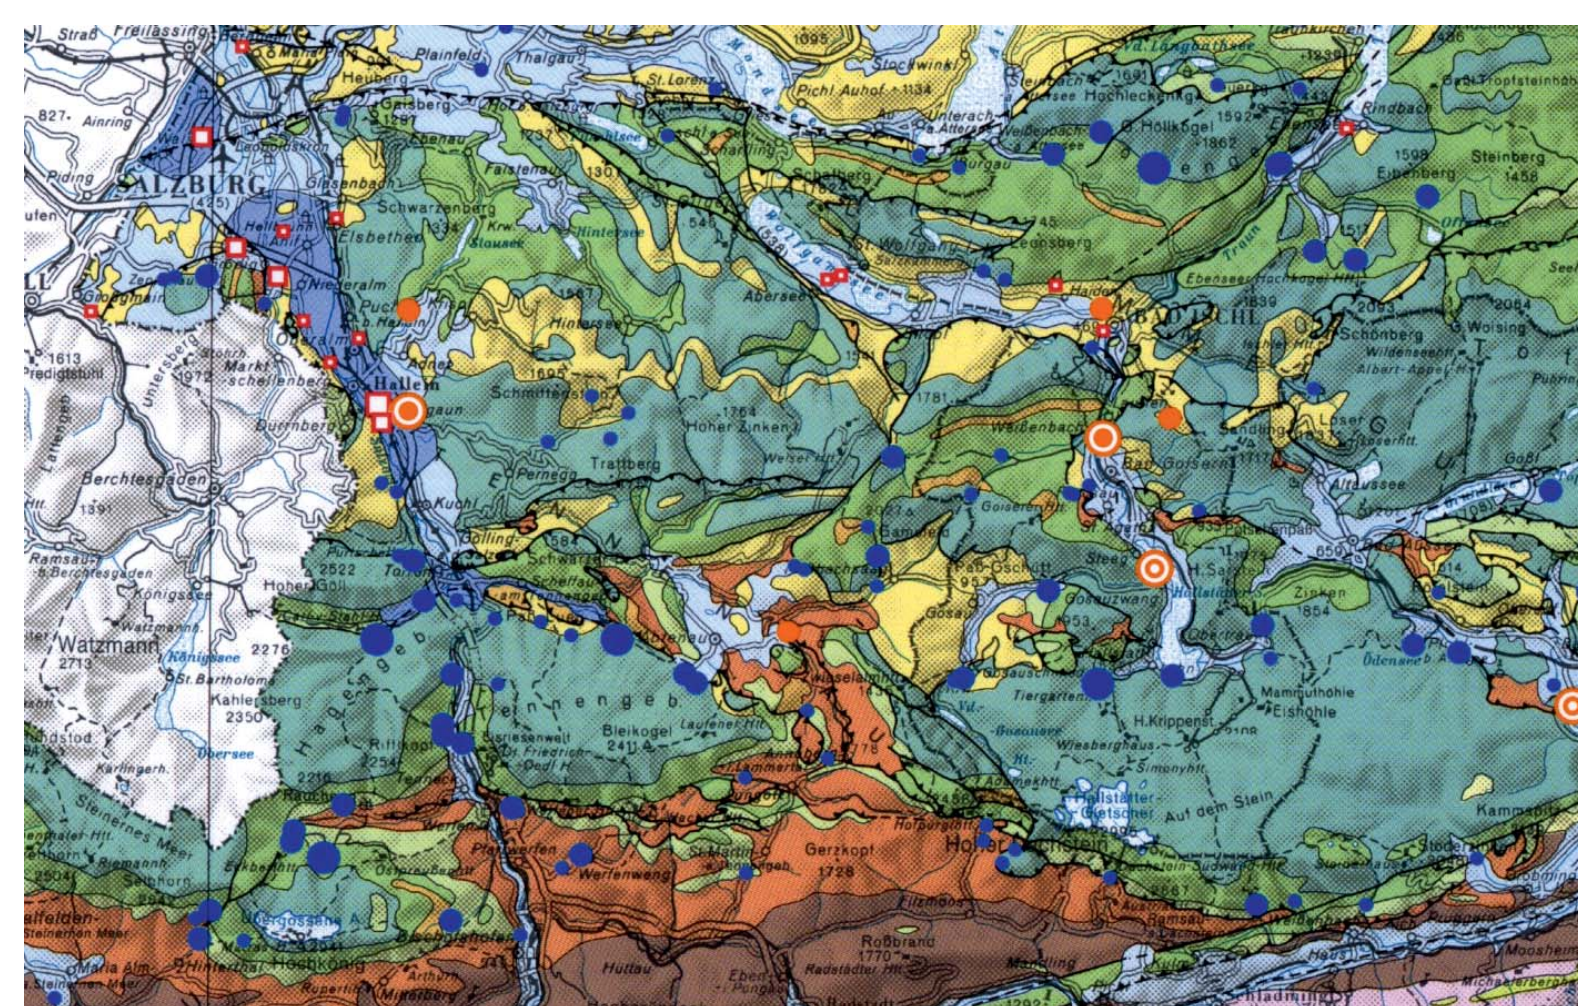

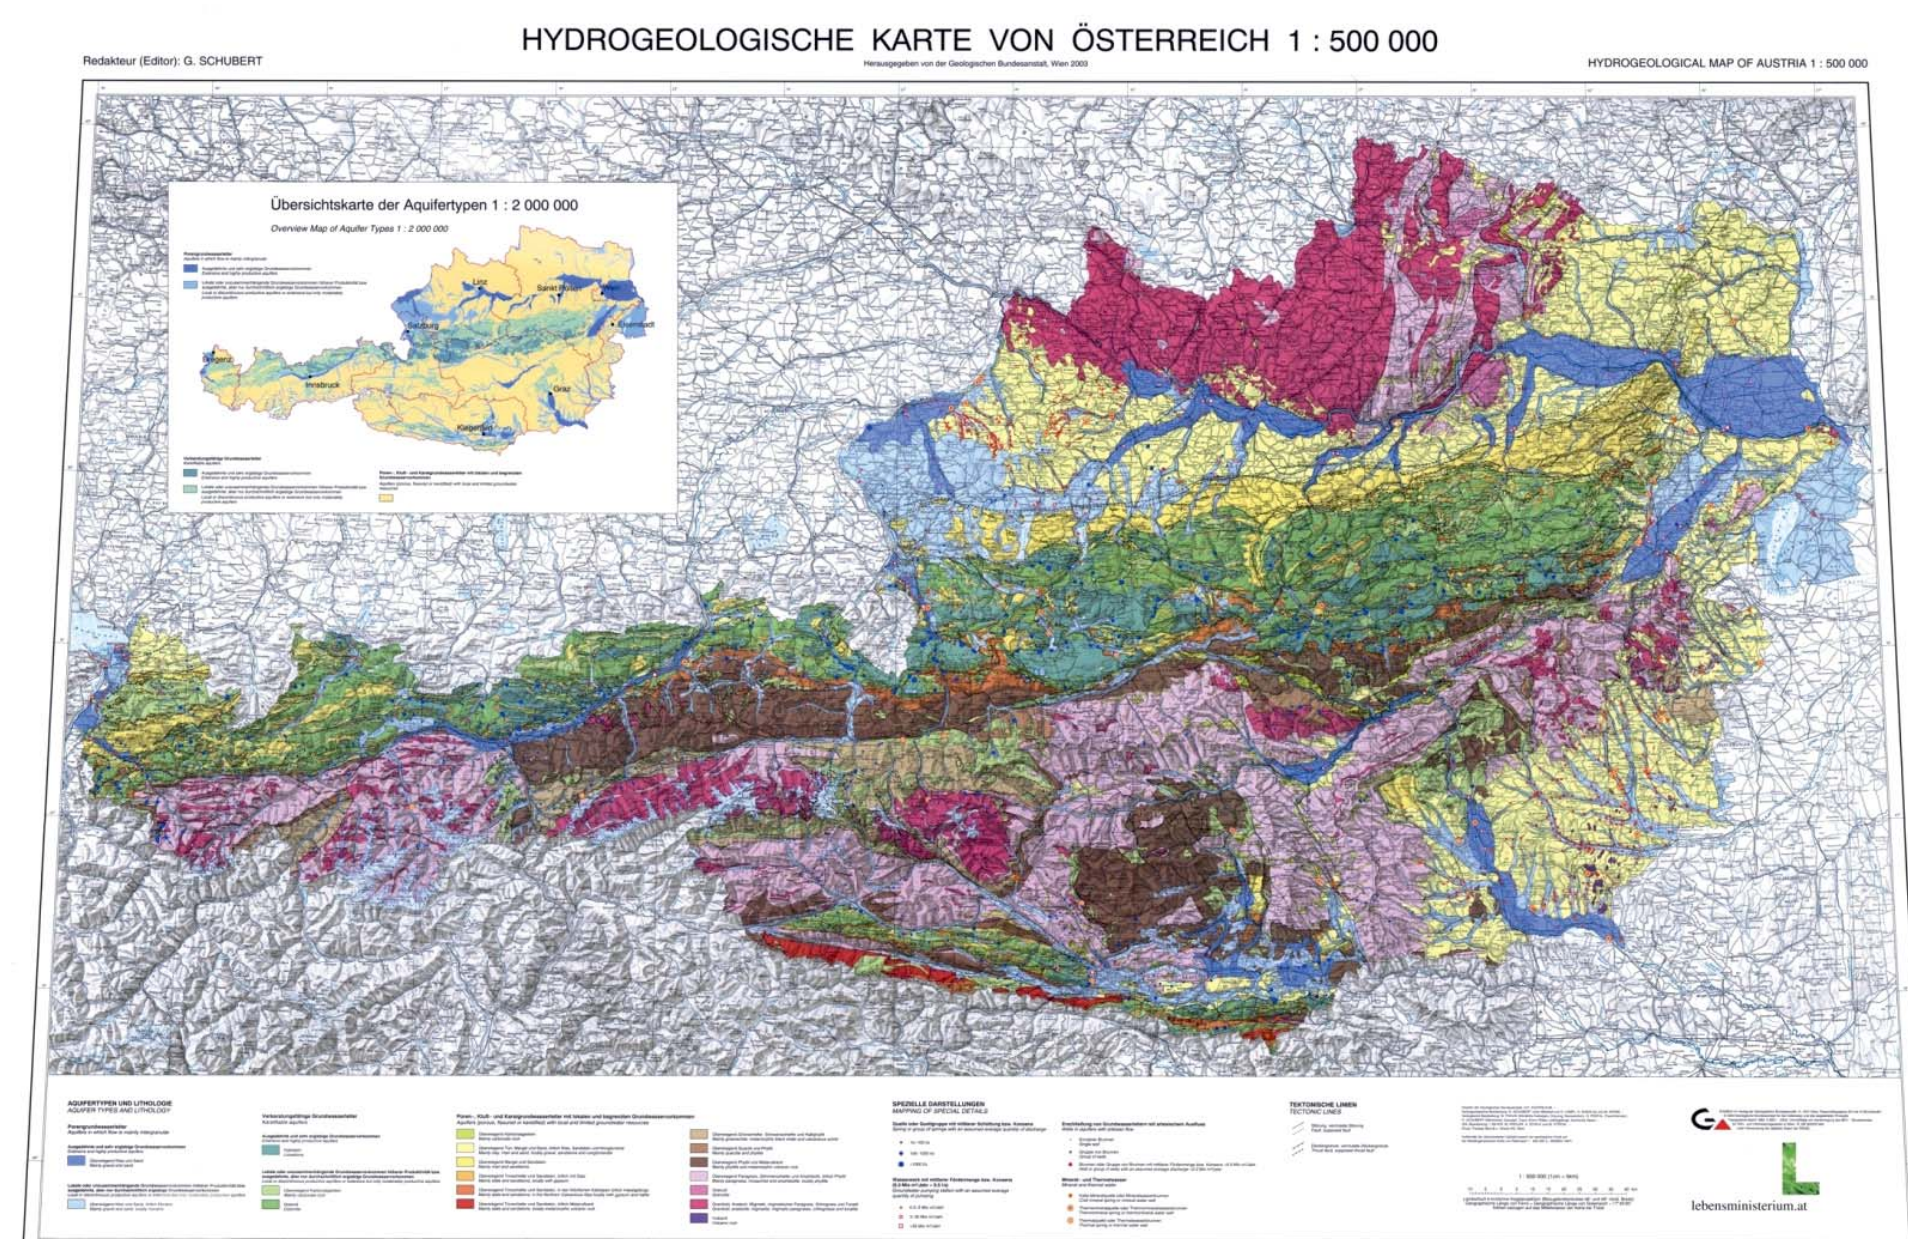

Hydrogeological Map of Austria 1:1,000,000 (Gattinger & Pražen, 1969)

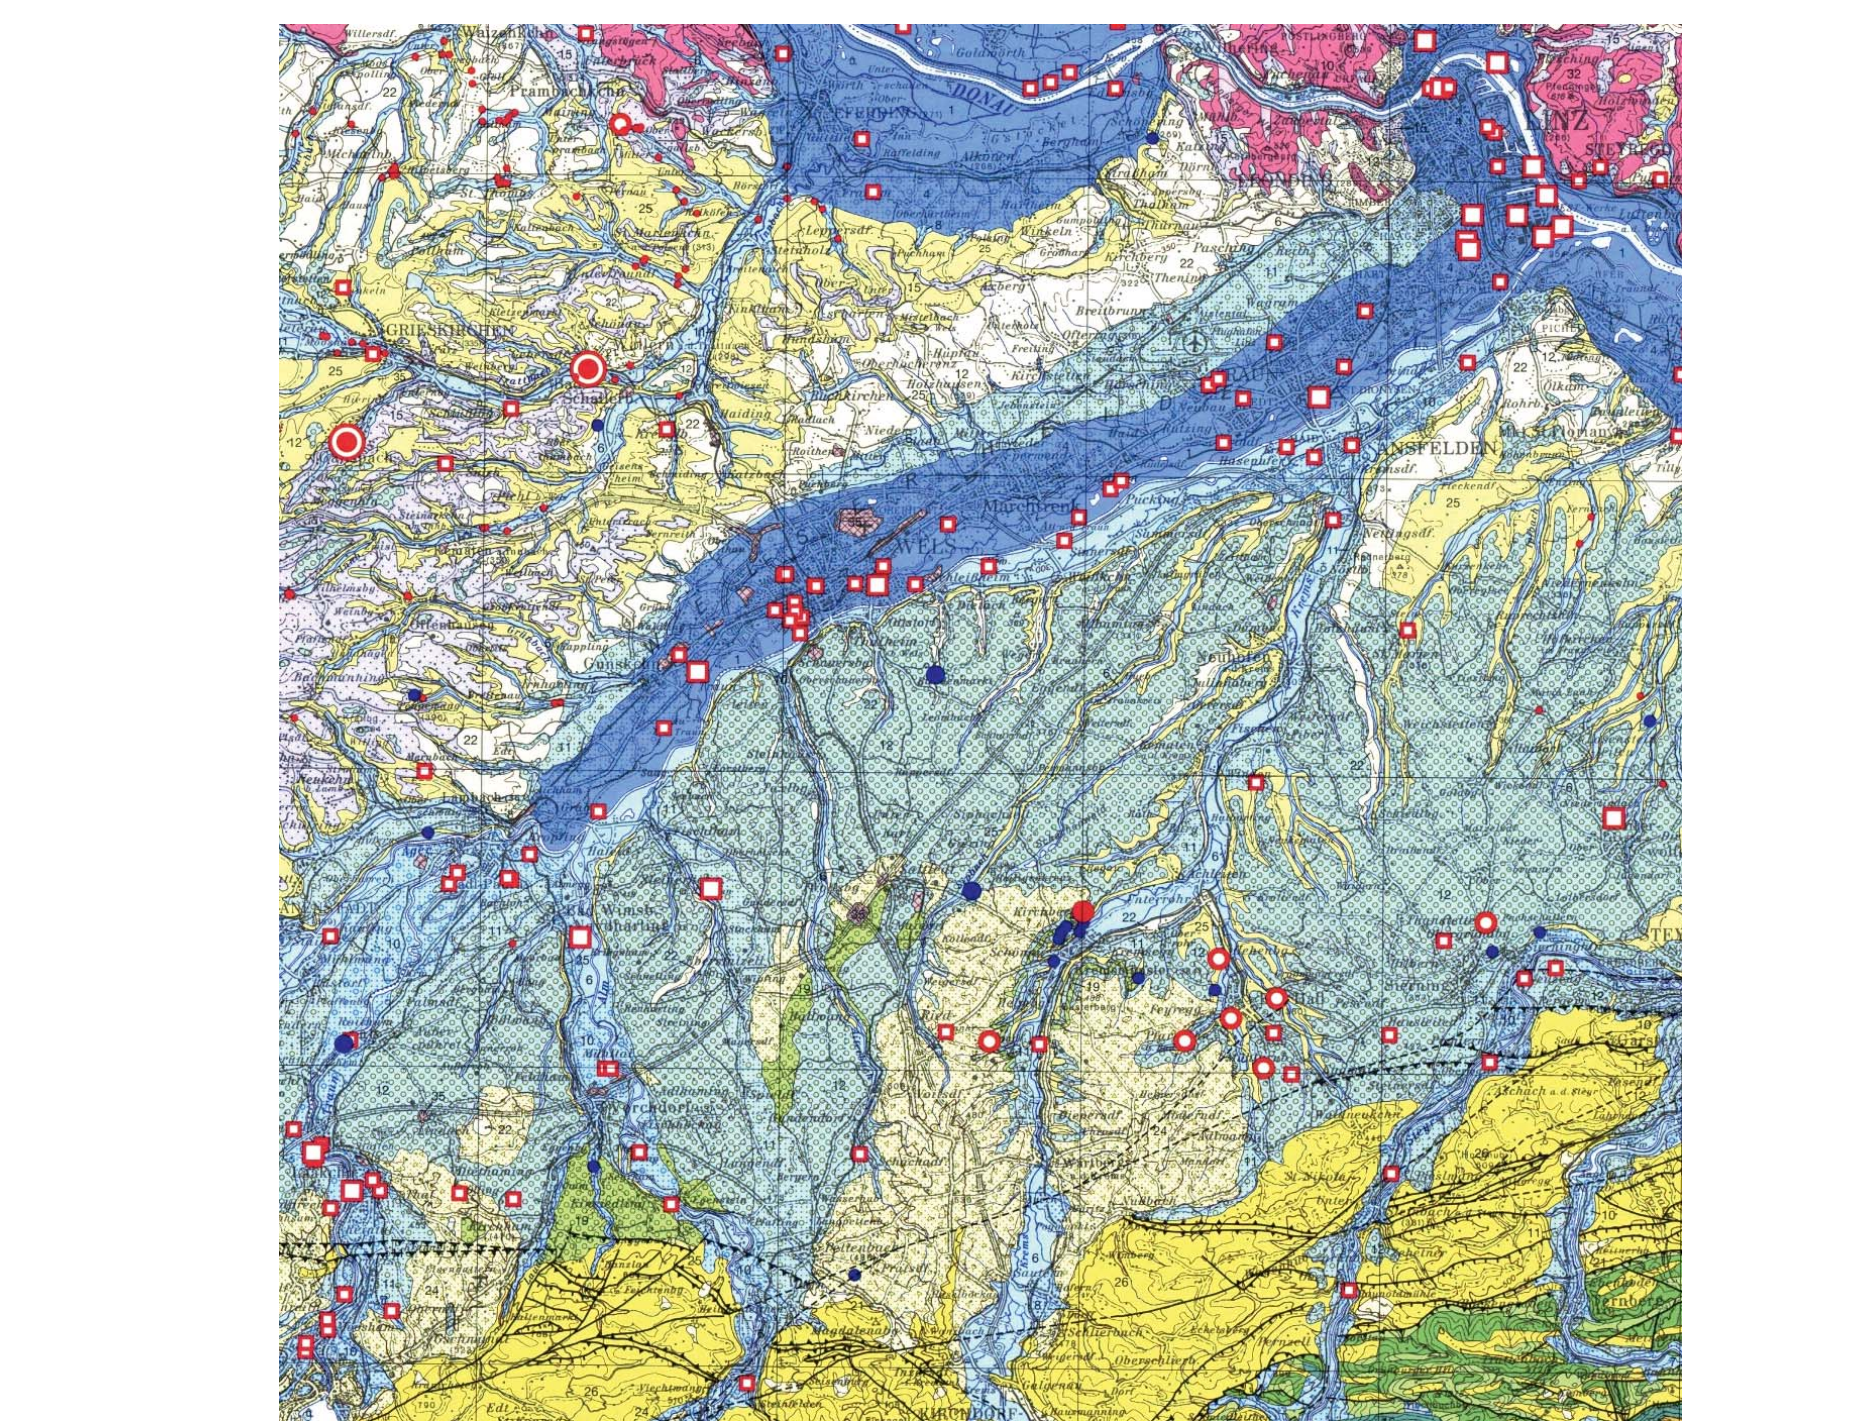

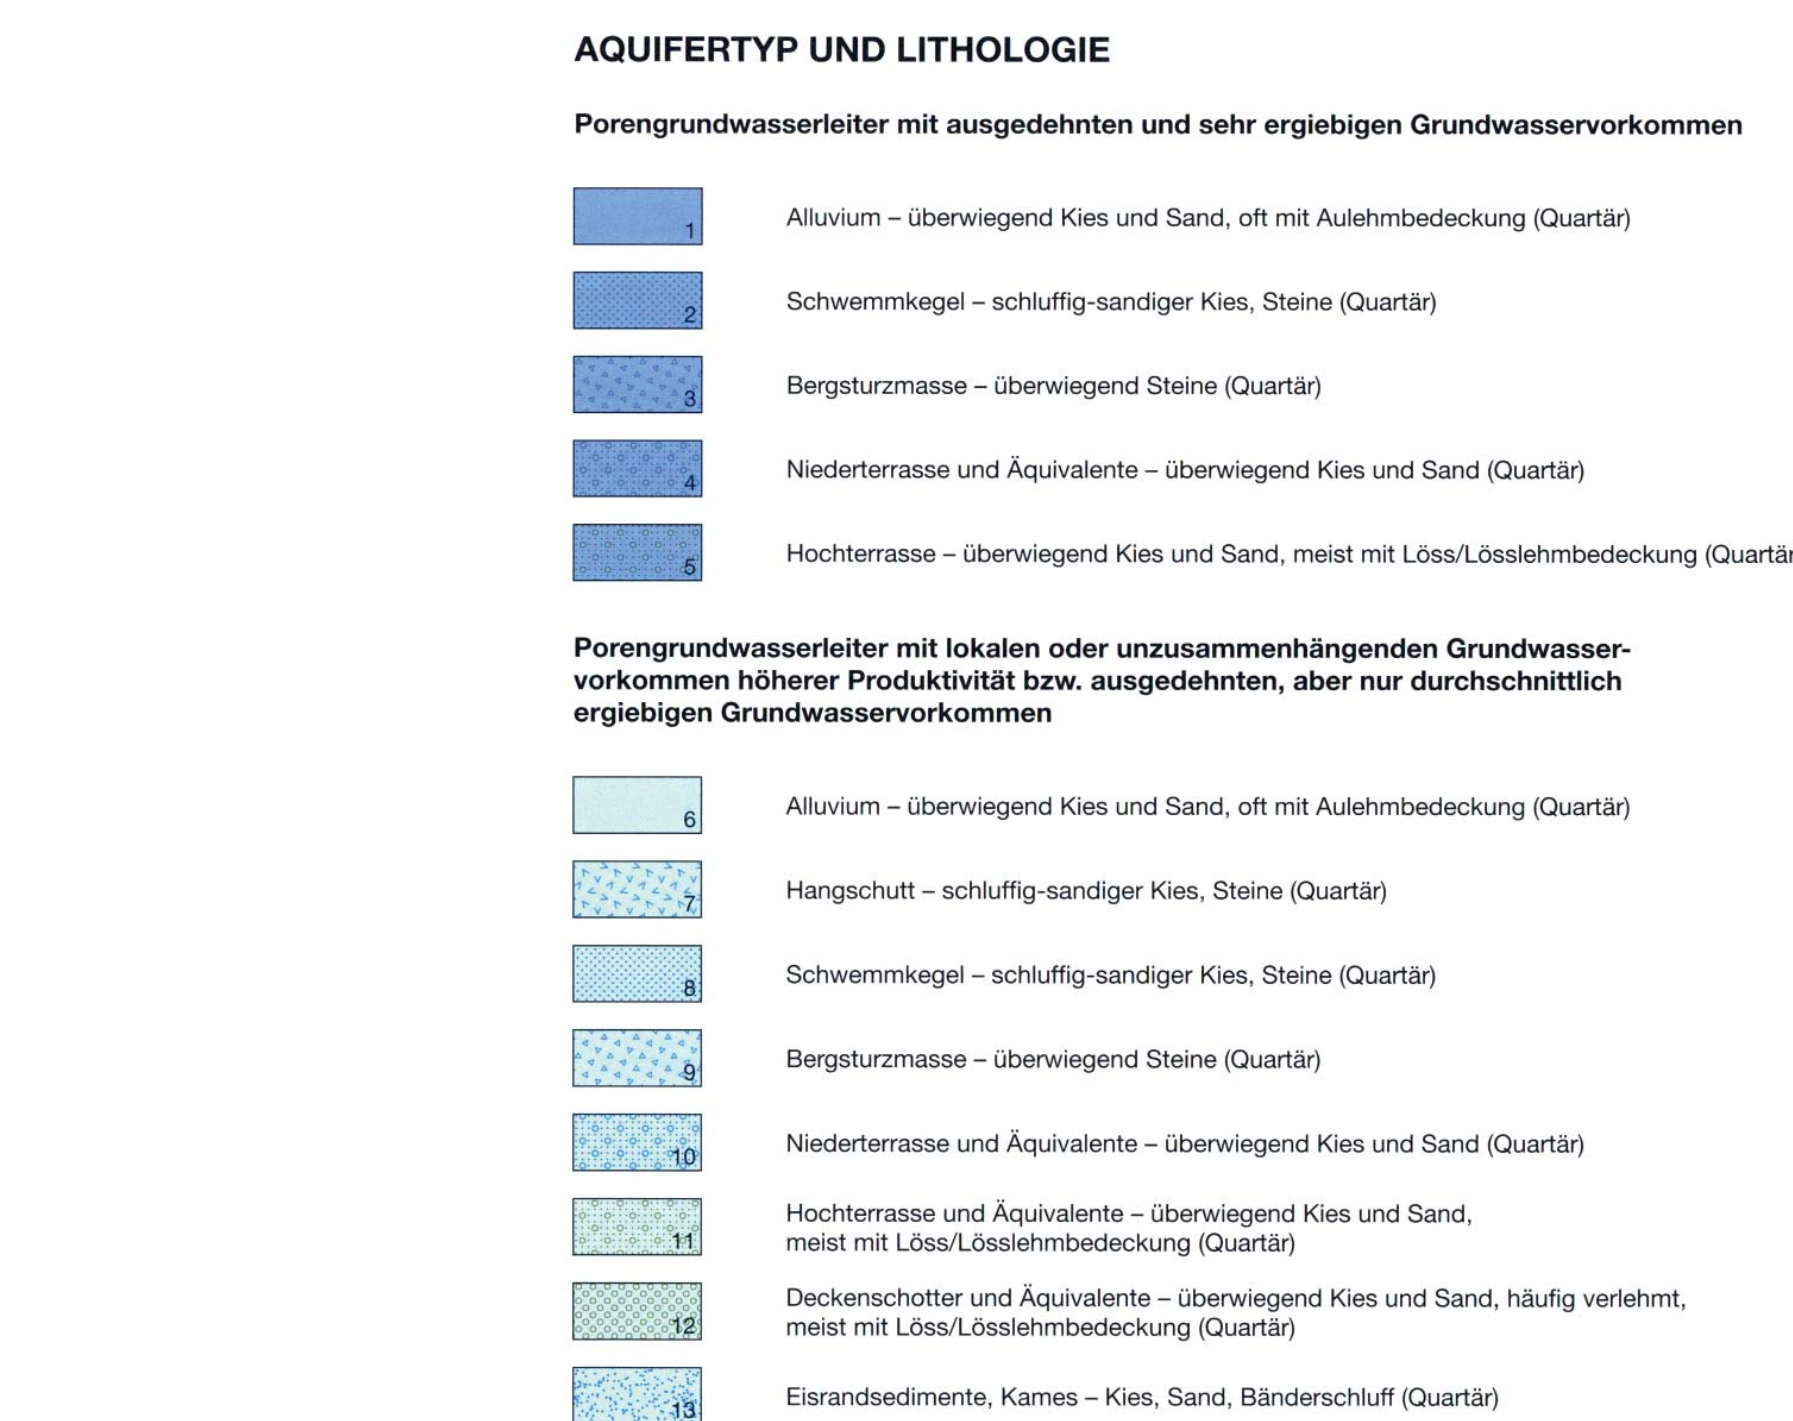

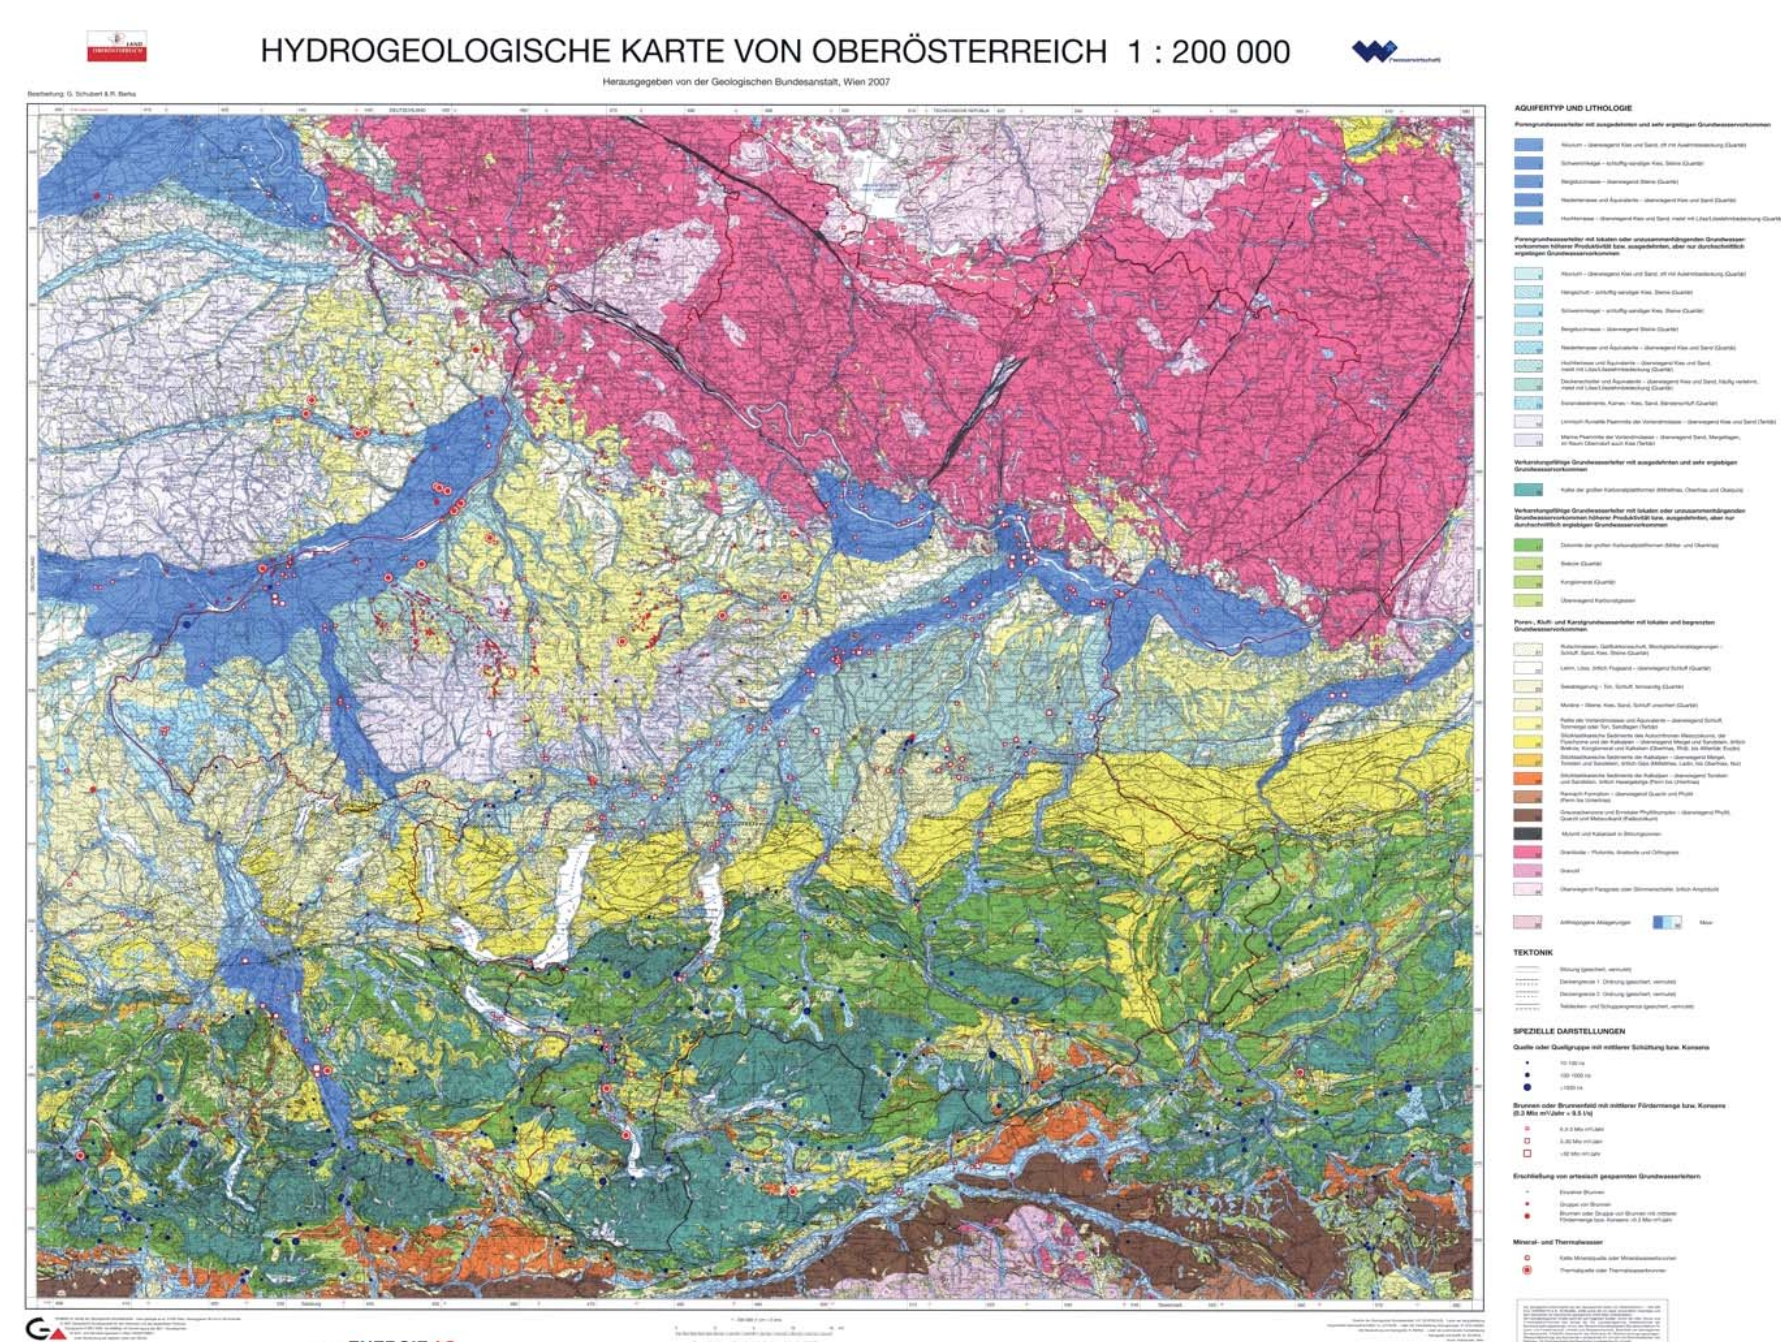

Hydrogeological Map of Austria 1:1,000,000 (Schubert et al., 2003a)

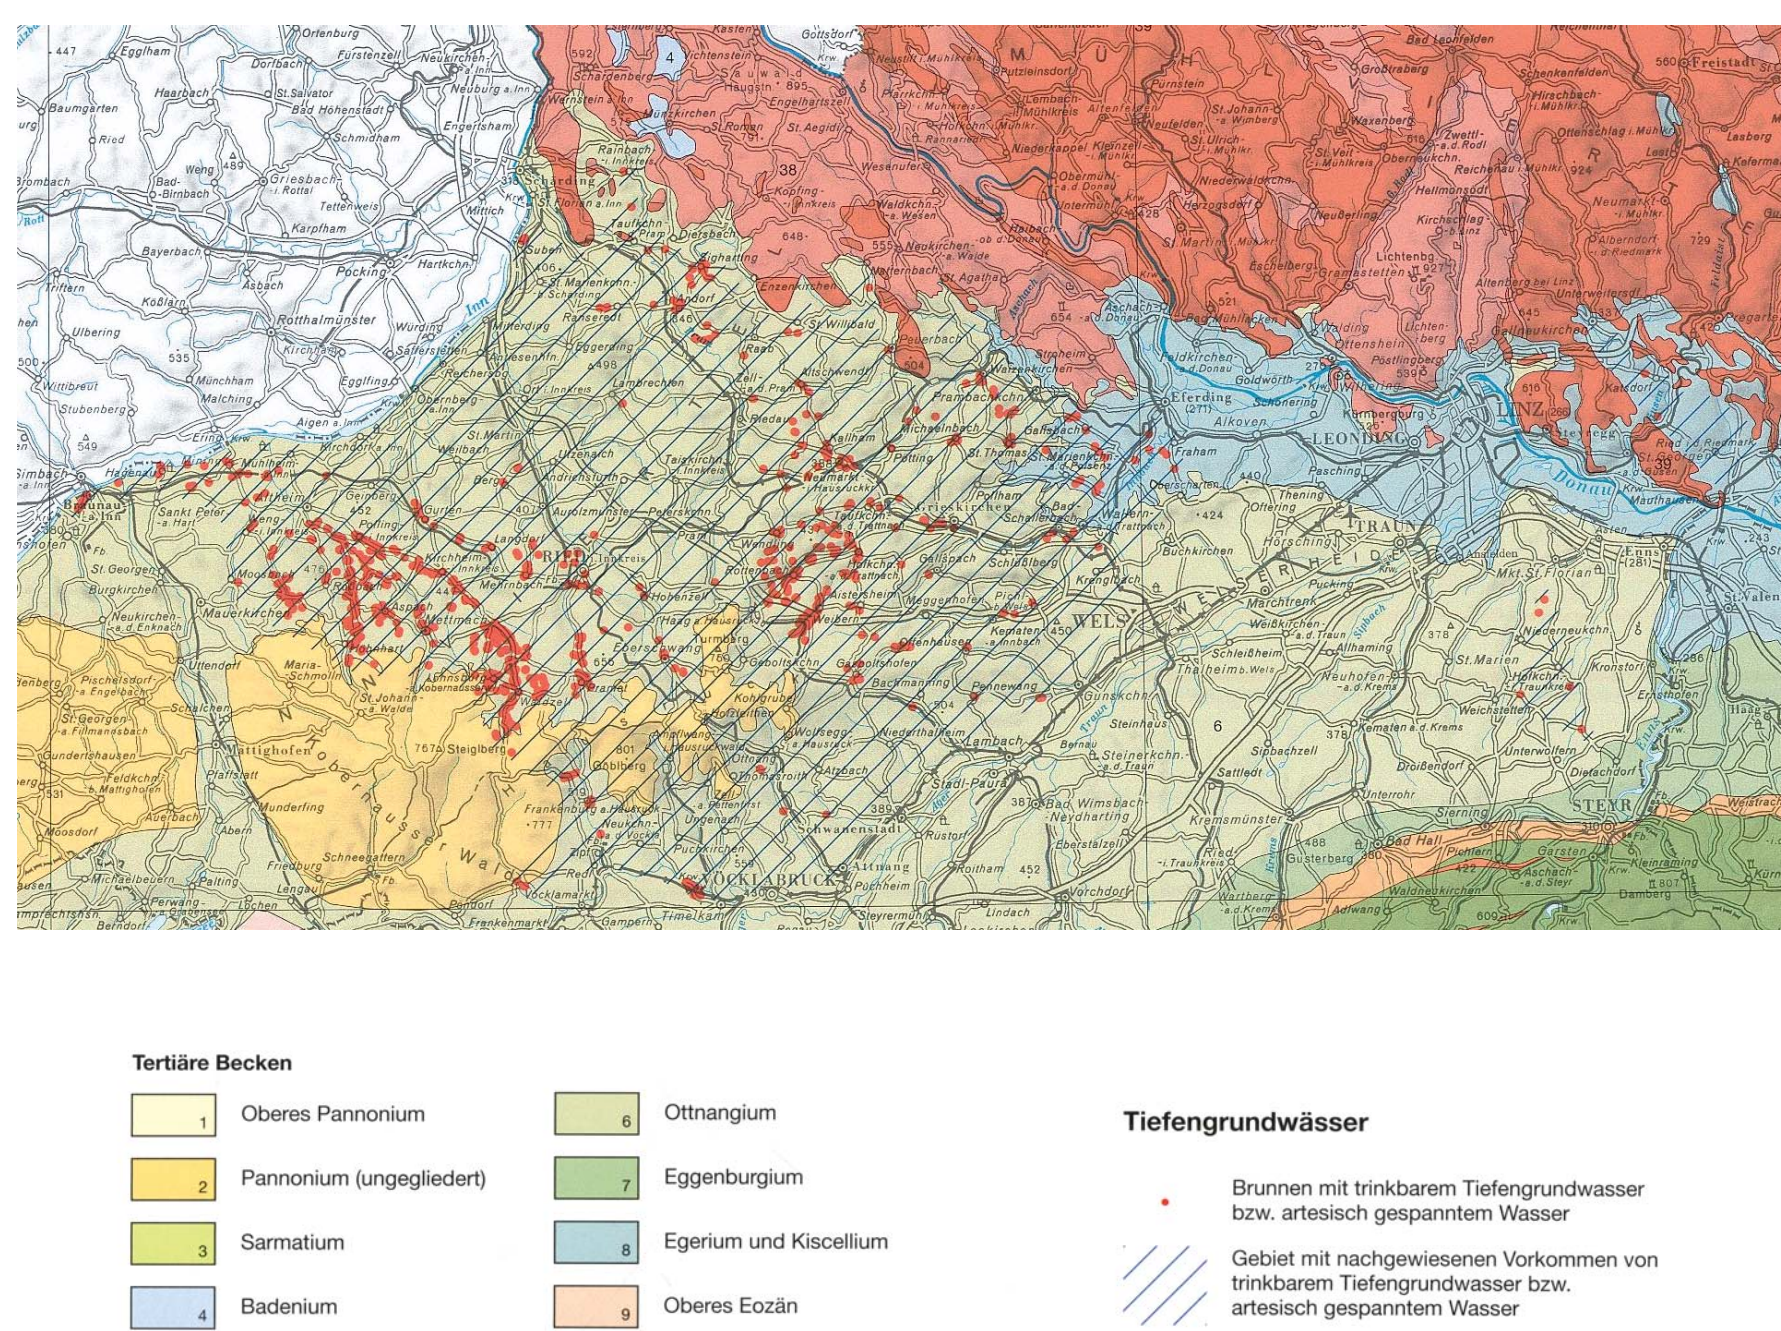

Hydrogeological map of Austria 1:500,000 (Schubert et al., 2003b)

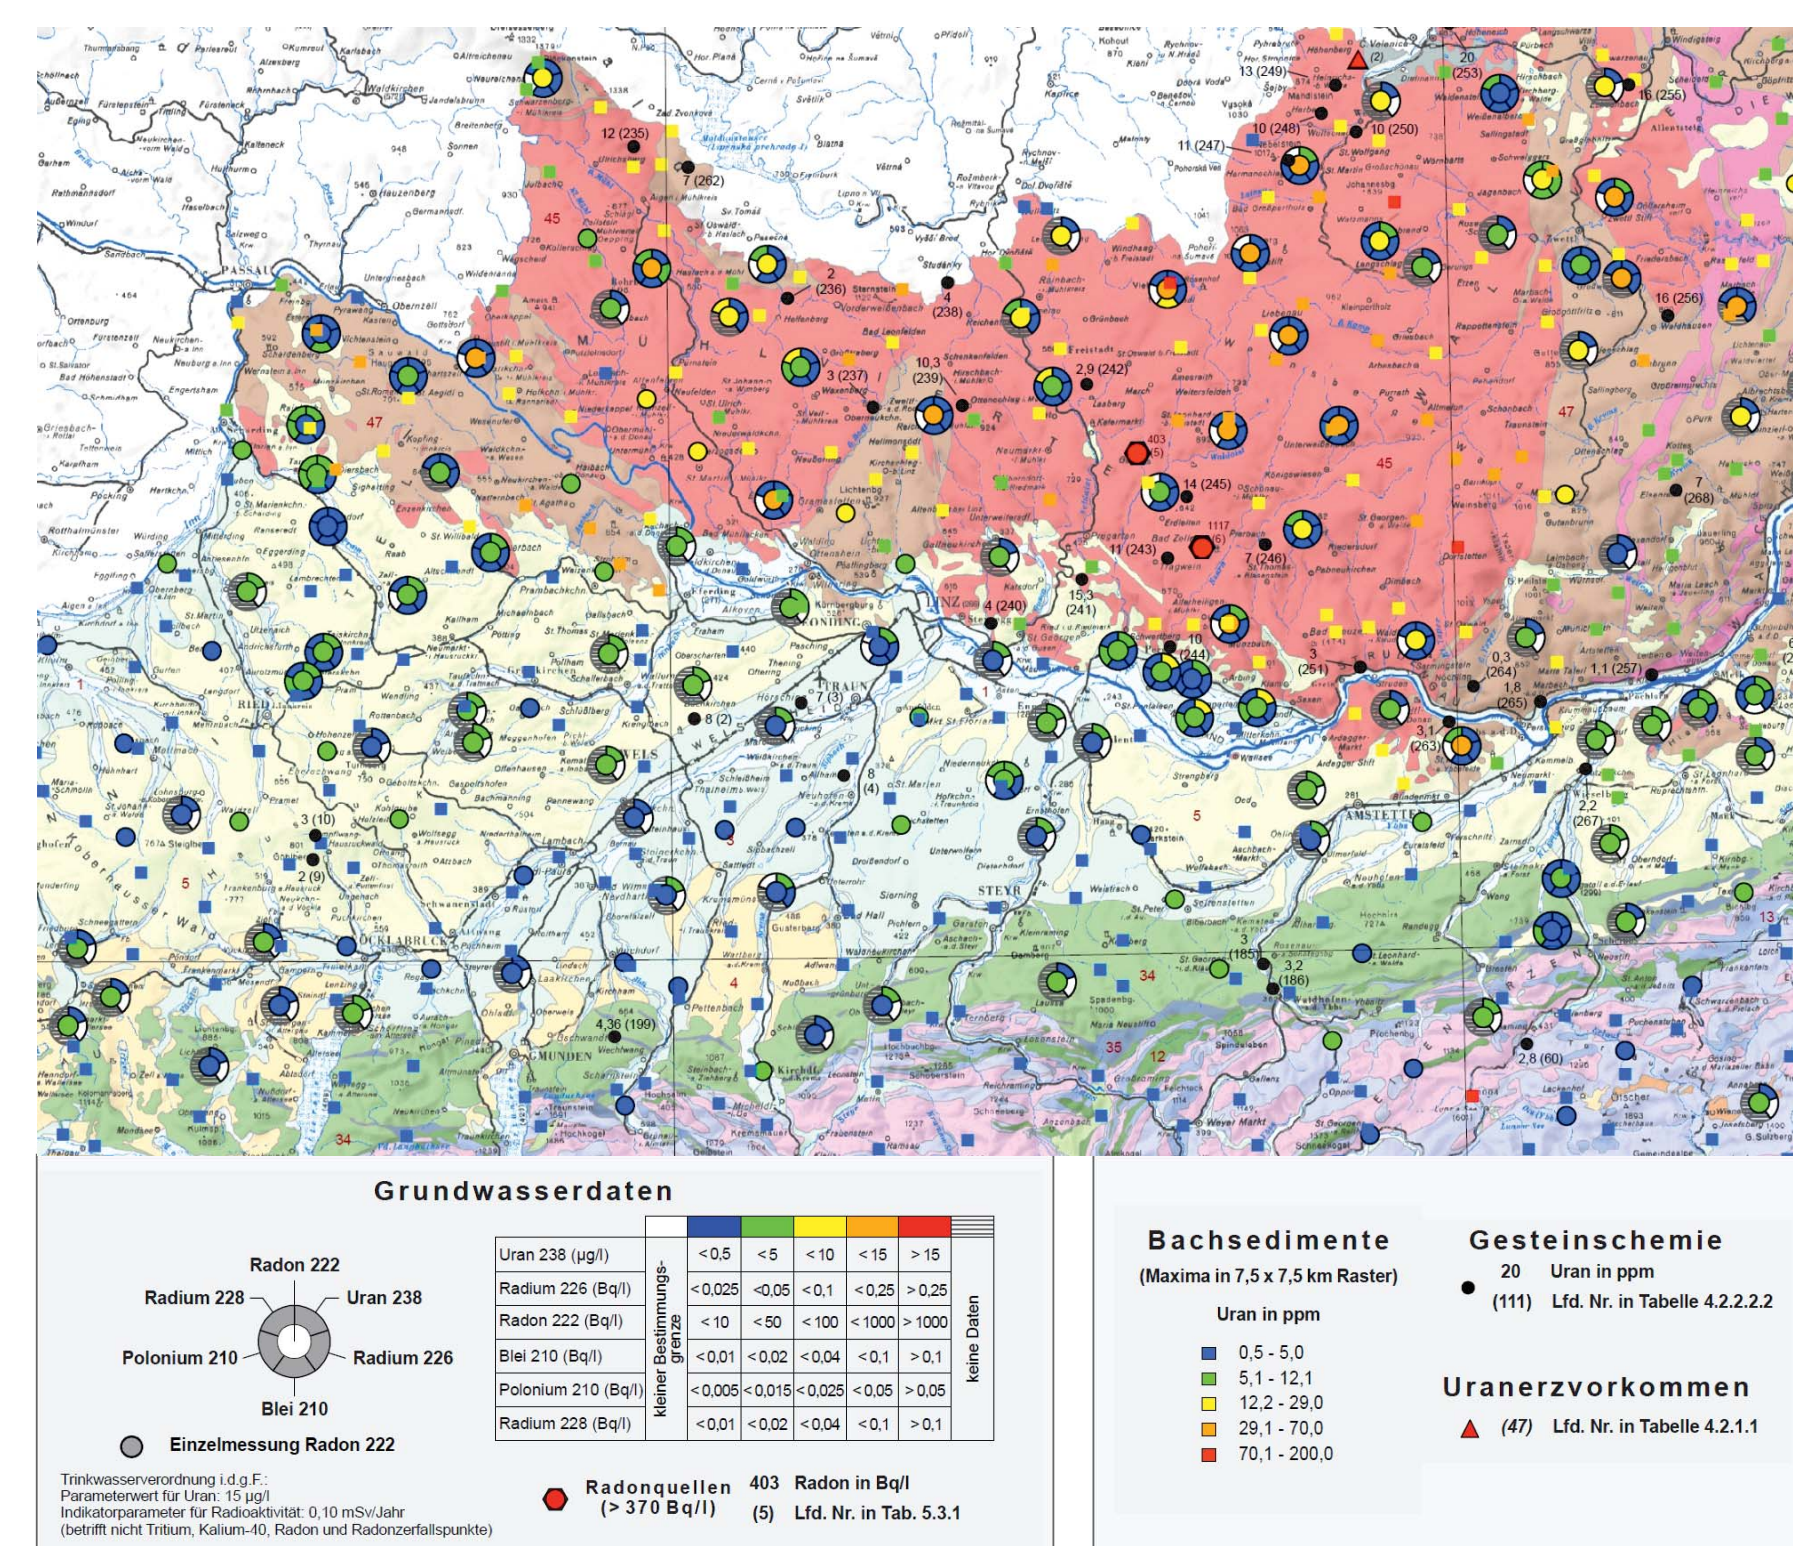

Hydrogeological map of Upper Austria 1:200,000 (Schubert & Berka, 2007)

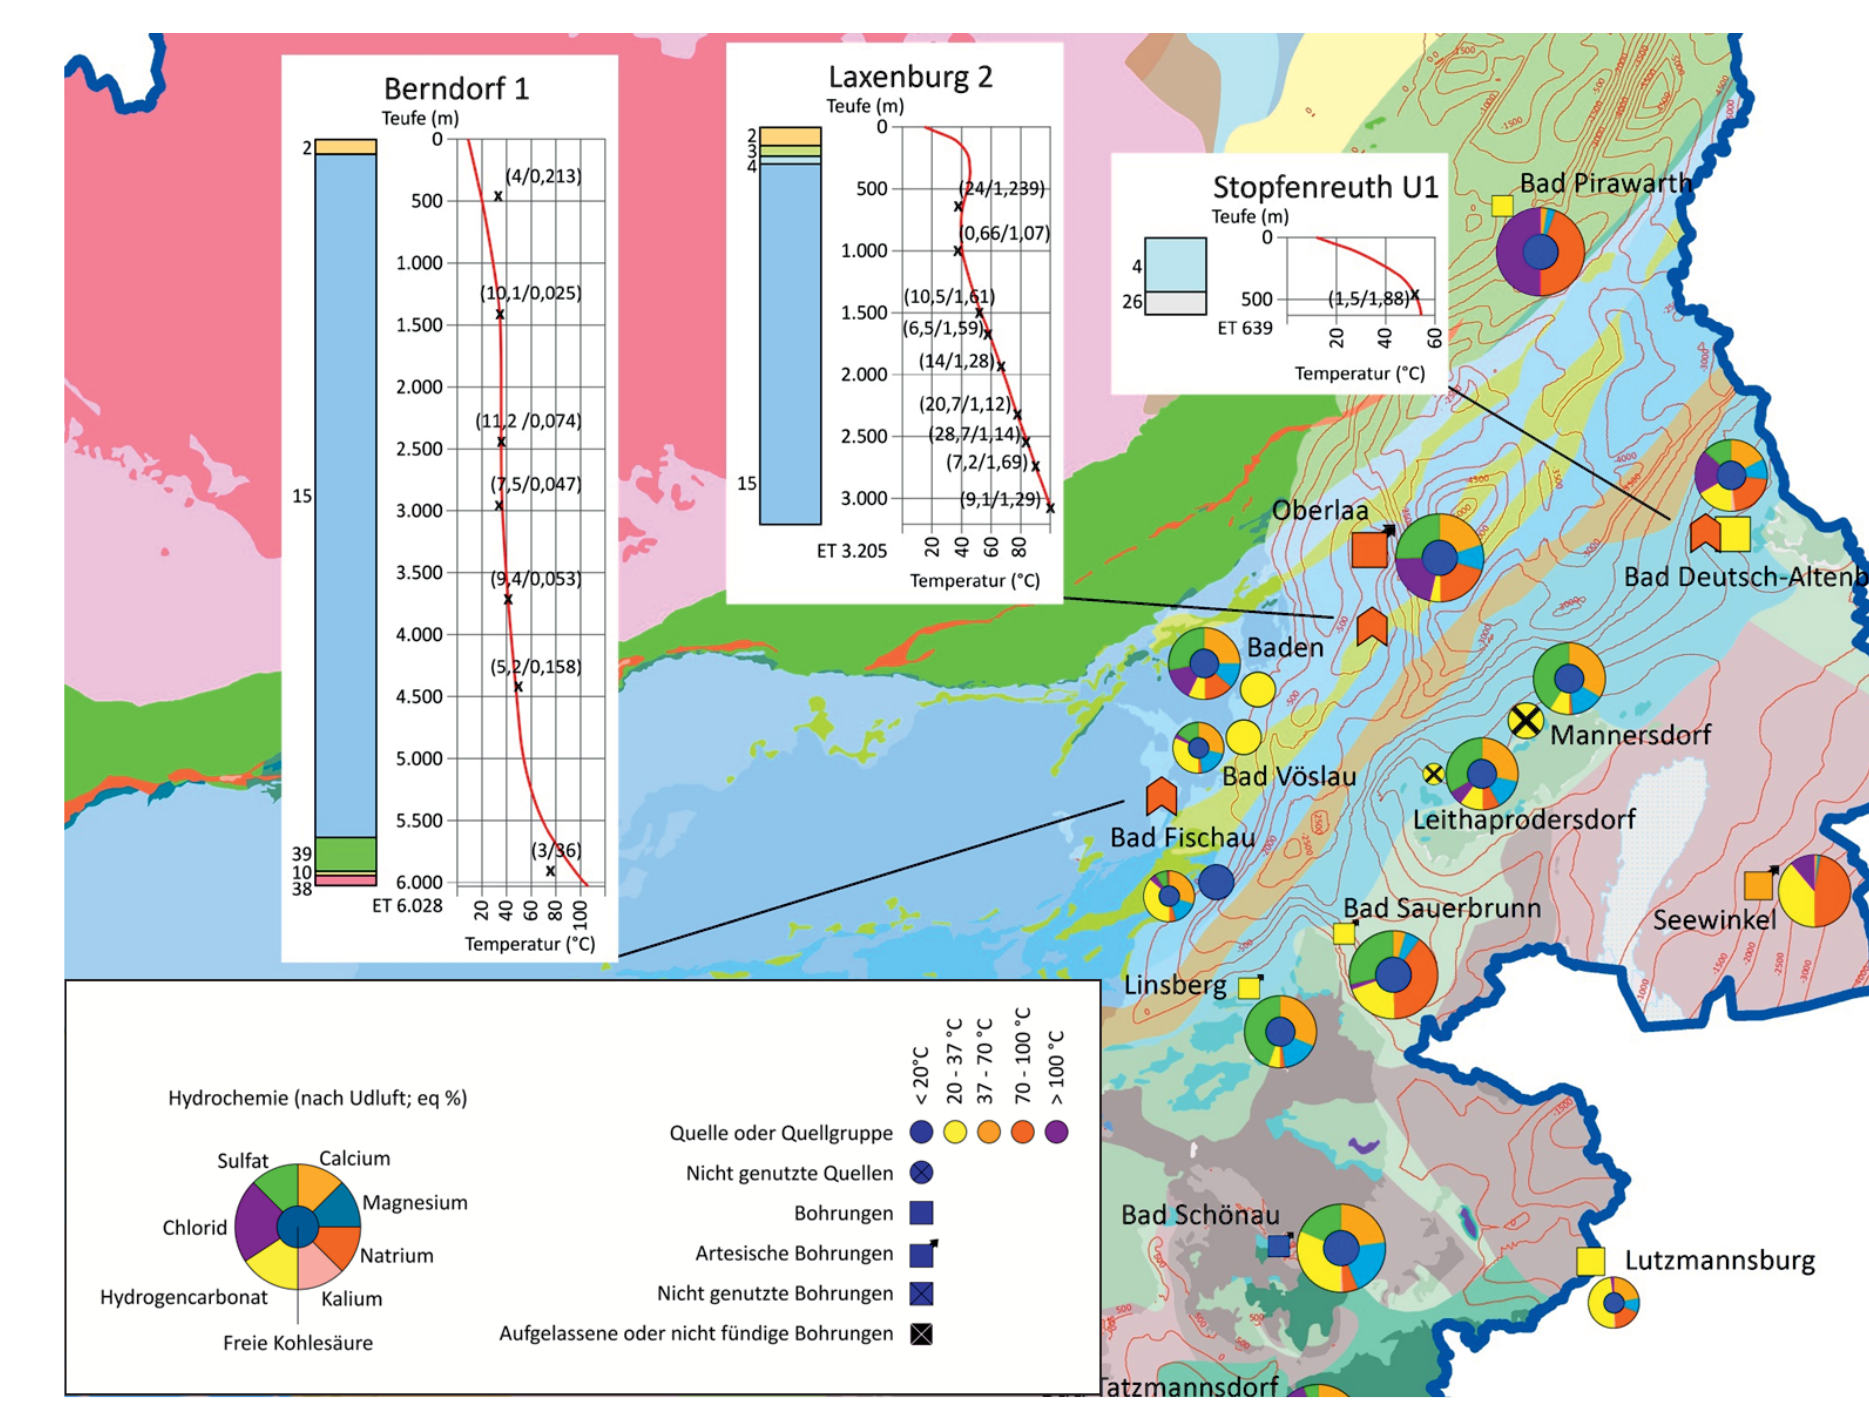

Map of potable deep groundwaters in Austria 1:500 000 (Berka, Philippitsch & Schubert, in preparation)

Map of radionuclides in Austrian groundwaters 1:500 000 (Schubert, Berka, Katzberger, Ecker, Hörfarer, Hörhan, Korner, Lahodinsky, Landstetter, Motschka, Philippitsch, Pirkl & Schmidt, in preparation)

Map of thermal waters in Austria 1:500 000 (Elster, Schubert, Berka, Goldbrunner, Wessely, Niederbacher, Philippitsch & Hörhan, in preparation)

Gattinger, T. & Pražen, H. (1969): Hydrogeologische Karte der Republik Österreich 1:1,000,000 – Geologische Bundesanstalt, Wien.

Kralik, M., Zieritz, I., Grath, J., Vincze, G., Philippitsch, P., Pavlik, H. (2005): Hydrochemische Karte Österreichs. Oberflächennaher Grundwasserkörper und Fließgewässer. Mittelwerte von Wassergüteerhebungsdaten. WGEV-Daten 1991-2001. – Berichte, 269, Umweltbundesamt

Schubert, G., Lampl, H., Pavlik, W., Pestal, G., Rupp, Ch., Shadlau, S. & Wurm, M. (2003a): 6.2 Hydrogeologie. – In: BMLUFUW (Hrsg.), Hydrologischer Atlas Österreichs. 1. Lieferung, Österreichischer Kunst- und Kulturverlag, Wien.

Schubert, G., Lampl, H., Pavlik, W., Pestal, G., Rupp, Ch., Shadlau, S., Wurm, M., Bayer, I., Freiler, M., Schild, A. & Stöckl, W. (2003b): Hydrologische Karte von Österreich 1:500 000. – Geologische Bundesanstalt, Wien.

Schubert, G. & Berka, R. (2007): Hydrogeologische Karte von Oberösterreich 1:200 000. – Geologische Bundesanstalt, Wien.
