**Program of the field trip
Saturday, 16th September 2006**

- 09:00 h: Departure from the BGR at Berlin – Spandau
Approximately 1 hour bus trip to the UBA Test Site Marienfelde
- 10:00 – 11:30h: “Biological Water Treatment”
Guide Dr. Grützmacher
- 11:30 – 12:30h: Approximately 1 hour bus trip to Spandau
- 12:30 – 13:30h: Lunch
- 13:30 – 15:00h: “Bank Filtration and the Spandau Water Works”
(The Spandau Water Works is the oldest and largest of Berlin)
Guide: Dr. Heinzmann)
- Appr. 15:00h: Approximately half an hour bus trip back to BGR
- Appr. 15:30h: End of field trip. The bus will stop also at the Berlin Spandau railway station. The latter in combination with the relatively early end of the field trip will allow reaching most of the trains leaving Berlin to almost all destinations in the early to late afternoon.
